dispensaries

Digital portal for consumers and businesses

EASY SEARCH. QUALITY FINDS.

dispensaries.com is a platform for business to advertise and for consumers to discover, everything related to the legalized cannabis space.

ABOUT OUR COMPANY

dispensaries.com is a digital portal for consumers seeking information related to the growing medical and recreational cannabis industry. We provide information for cannabis curious individuals on products, services and business that serve the industry as well as content related to the sector. We hope you enjoy what we've assembled so far and visit frequently as the landscape is evolving daily.

Explore the evolving world of cannabis products and services in our Market Place. From personal vaporizer companies and edible manufacturers to tax accountants and attorneys, the Market Place is where you can find information about products and service in the industry.

If you are a business, dispensaries.com offers a technology solution "our platform" to assist your organization with tools to grow and retain your valuable consumer base and/or followers. Our platform compliments your existing marketing efforts and is modular based on your individual needs. We strive to continue to invest in solutions to assist our clients in exceeding their business objectives.

We offer a robust mobile experience as well as a Native Application for the benefit of consumers & businesses alike.

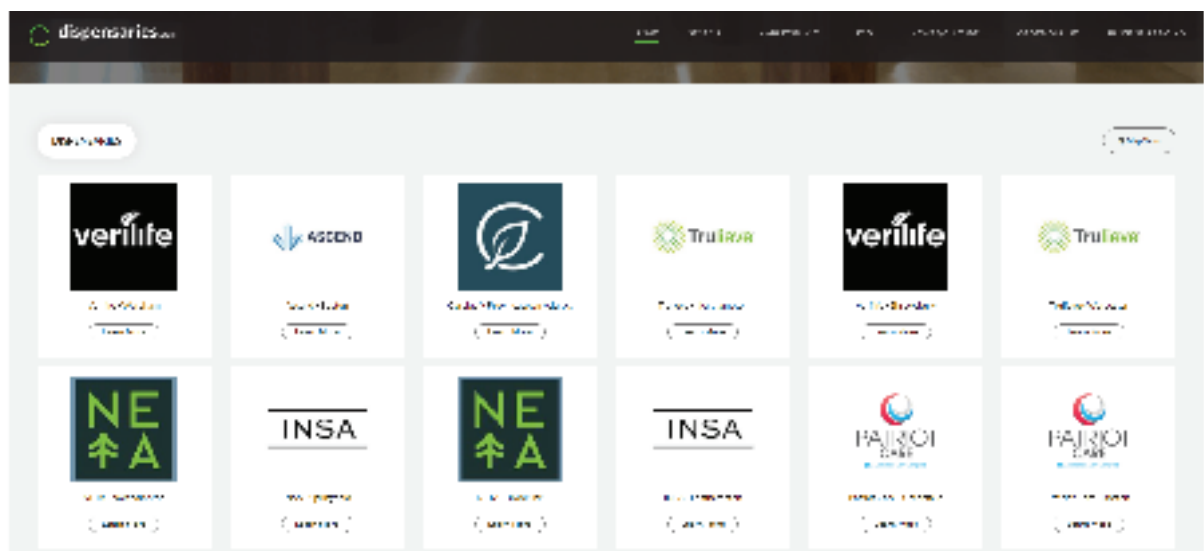

dispensaries

dispensaries.com is the premier digital destination for the canna-curious to learn more about the evolving world of cannabis culture, goods, and dispensaries.

Here, you can discover new products or services, learn more, and even read or leave reviews. Search thousands of top-quality cannabis products and brands. You can even find where to purchase these products at dispensaries in your local area.

Our dispensary directory is one of the most comprehensive in the United States. Many of our dispensaries even keep real-time menus and post photos of their shop, so you can see exactly what's in stock, and where you're headed.

Curious about what's going on in the cannabis industry? dispensaries.com also hosts a thriving news portal covering all things cannabis. Learn more about the medical and recreational marijuana industries, cannabis advice, legalization efforts, local news, and more!

dispensaries

The repeal of marijuana prohibition has begun, and is steadily gaining momentum. With states legalizing medical marijuana and recreational cannabis use, people need access to information on how to find marijuana legally.

deliveries

Legal and efficient, the cannabis industry continues to modernize and make it easier for you to obtain your medical marijuana. With legalization come all the perks of legal businesses such as expanded research, regulation, taxes, and product-consistency.

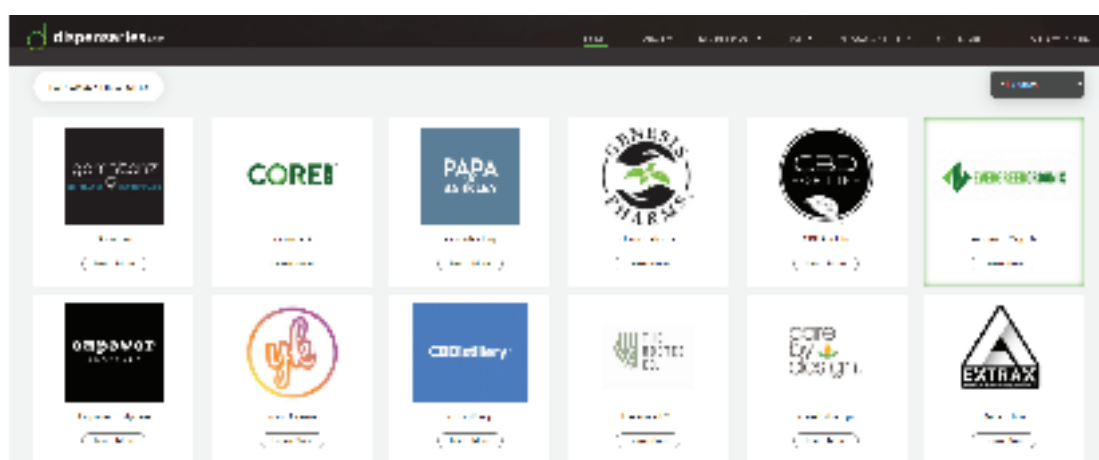

Market Place

Consumer

Our Market Place acts as home base for anyone seeking information on quality products and services within the Cannabis Industry. Including everything from marijuana tours and delicious edibles to high-end accessories and CBD infused health and wellness products.

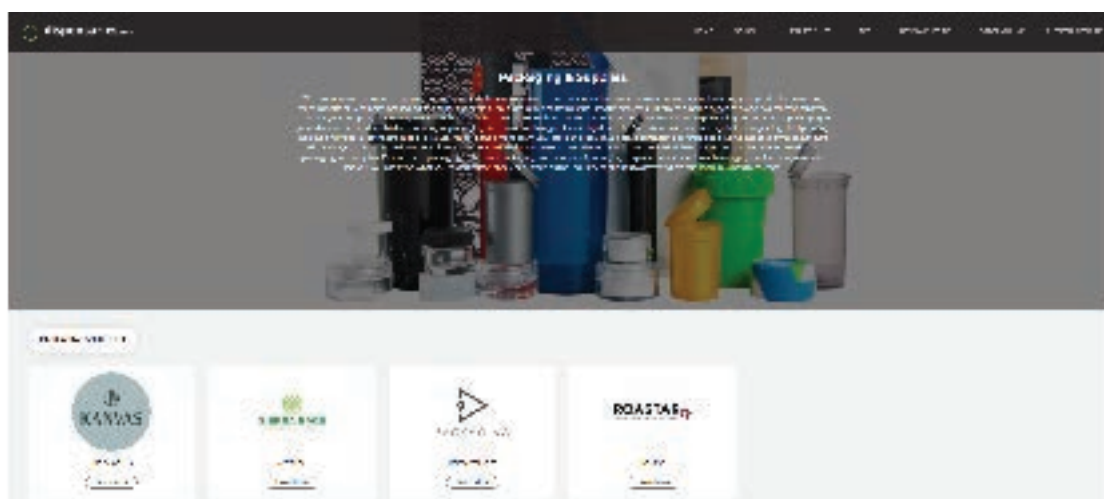

Whether you're looking to break into the cannabis industry or deepen your relationships with other vendors, the dispensaries.com Marketplace is the perfect place to...

- Grow your visibility
- Build brand recognition
- Attract followers

B2B

If you're looking for information on products and services that can help you start or grow your cannabis business, you've come to the right place. Here you will find information about marijuana friendly businesses that offer the unique expertise and professional resources required to succeed in the cannabis industry. As a marijuana business owner, our marketplace gives you access to others in the industry who understand and cater to the specific needs of your company, a valuable resource for a booming industry that is still in the early stages.
